

STUDENT CODE OF CONDUCT SANCTIONS

ALPHA COLLEGE OF BUSINESS AND TECHNOLOGY

If a student violates the Code of Conduct, there may be sanctions applied as a result of an action taken. If the misconduct is minor, the sanctions applied will be minor as well. The decisions to apply a minor sanction will rest with the person working within the area. For example, if a student is disrupting a class, a professor may choose to remove that student from the class. Major sanctions will be applied if the actions are more serious. In this case, sanctions can be imposed by Academic Management when necessary. (Note: this does not restrict the person confronted with the action to take immediate steps to remove a person who may be threatening to others, or who pose a threat to others. Sanctions or actions for students of -concern may vary based on the recommendations by the Threat Assessment Team and may not be deemed punitive.

Criminal Offenses

Criminal offenses committed on the Alpha College or SLC premises against persons or property, and reported to Alpha College, will be addressed according to the law. When a student is involved in criminal activity, Alpha College will notify Academic Management and the Director.
